

| Latin Name                                | Common Name/Details                        | Order |
|---|--|-------|
| <i>Acer campestre</i>                     | <i>Field Maple</i>                         |       |
| <i>Acer campestre</i> Elsrijk             | <i>Field Maple, Compact form</i>           |       |
| <i>Acer campestre</i> Queen Elizabeth     | <i>Field maple 'Queen Elizabeth'</i>       |       |
| <i>Acer cappadocicum</i> Rubrum           | <i>Young growth striking red</i>           |       |
| <i>Acer davidii</i>                       | <i>Snake-bark, green and white</i>         |       |
| <i>Acer freemanii</i> Autumn Blaze        | <i>Striking autumn colour</i>              |       |
| <i>Acer griseum</i>                       | <i>Paper Bark Maple</i>                    |       |
| <i>Acer plat.</i> Columnare               | <i>Columnar habit</i>                      |       |
| <i>Acer plat.</i> Crimson King            | <i>Purple Maple</i>                        |       |
| <i>Acer plat.</i> Crimson Sentry          | <i>Upright purple form</i>                 |       |
| <i>Acer plat.</i> Deborah                 | <i>Young leaves red</i>                    |       |
| <i>Acer plat.</i> Drummondii              | <i>Variegated Maple</i>                    |       |
| <i>Acer plat.</i> Emerald Queen           | <i>Selected uniform clone</i>              |       |
| <i>Acer plat.</i> Globosum                | <i>Mop-headed form</i>                     |       |
| <i>Acer pseudo.</i> Erectum               | <i>Upright even Sycamore selection</i>     |       |
| <i>Acer pseudo.</i> Leopoldii             | <i>Variegated Sycamore</i>                 |       |
| <i>Acer pseudoplatanus</i>                | <i>Sycamore</i>                            |       |
| <i>Acer pseudoplatanus</i> atropurpureum  | <i>Purple Sycamore</i>                     |       |
| <i>Acer rubrum</i>                        | <i>Red Maple</i>                           |       |
| <i>Acer rufinerve</i>                     | <i>Snake-bark maple</i>                    |       |
| <i>Acer sacc.</i> Wierii                  | <i>Silver Maple, cut leaf</i>              |       |
| <i>Acer saccharinum</i> Pyramidale        | <i>Upright form of Silver Maple</i>        |       |
| <i>Aesculus carnea</i> Briottii           | <i>Pink flowered Horse Chestnut</i>        |       |
| <i>Aesculus hippo.</i> Baumannii          | <i>Double flowered form, no conkers</i>    |       |
| <i>Alnus cordata</i>                      | <i>Italian Alder</i>                       |       |
| <i>Alnus glutinosa</i>                    | <i>Common Alder</i>                        |       |
| <i>Alnus glutinosa</i> imperialis         | <i>Graceful finely-cut leaves</i>          |       |
| <i>Alnus glutinosa</i> laciniata          | <i>Cut leaves, strong grower</i>           |       |
| <i>Alnus incana</i>                       | <i>Grey Alder</i>                          |       |
| <i>Alnus incana</i> aurea                 | <i>Gold leaved form</i>                    |       |
| <i>Alnus incana</i> Laciniata             | <i>Cut-leaved form</i>                     |       |
| <i>Amelanchier</i> lamarckii              | <i>Serviceberry 'Lamarckii'</i>            |       |
| <i>Amelanchier</i> Robin Hill             | <i>Serviceberry 'Robin Hill'</i>           |       |
| <i>Betula albo-sinensis</i>               | <i>Peeling coppery bark</i>                |       |
| <i>Betula albo-sinesis</i> fascination    | <i>Chinese red-bark Birch</i>              |       |
| <i>Betula dalecarlica</i>                 | <i>Cut leaved form</i>                     |       |
| <i>Betula ermannii</i>                    | <i>Pinkish white bark, graceful habit</i>  |       |
| <i>Betula jacquemontii</i>                | <i>Himalayan Birch</i>                     |       |
| <i>Betula pendula</i> Fastigiata          | <i>Very upright habit</i>                  |       |
| <i>Betula pendula</i> tristis             | <i>Graceful tall weeping habit</i>         |       |
| <i>Betula pendula</i> Youngii             | <i>Young's Weeping Birch</i>               |       |
| <i>Betula pubescens</i>                   | <i>Common White Birch</i>                  |       |
| <i>Betula</i> Zwitsers Glorie             | <i>Viorous form, neat habit</i>            |       |
| <i>Carpinus bet.</i> Franz Fontaine       | <i>Upright form, compact</i>               |       |
| <i>Carpinus betulus</i> fastigiata        | <i>Fastigate hornbeam, feathered trees</i> |       |
| <i>Castanea sativa</i>                    | <i>Sweet Chestnut</i>                      |       |
| <i>Catalpa big x aurea</i>                | <i>Golden Indian Bean Tree</i>             |       |
| <i>Catalpa bignonioides</i>               | <i>Indian Bean Tree</i>                    |       |
| <i>Cercis Siliquastrum</i>                | <i>Judas Tree</i>                          |       |
| <i>Corylus avellana</i>                   | <i>Hazel</i>                               |       |
| <i>Corylus colurna</i>                    | <i>Turkish Hazel</i>                       |       |
| <i>Corylus maxima</i> Purpurea            | <i>Purple Filbert</i>                      |       |
| <i>Cotoneaster</i> Cornubia               | <i>Semi-evergreen, profuse red fruits</i>  |       |
| <i>Cotoneaster</i> Hybridus Pendulus      | <i>Semi-evergreen, small weeping tree</i>  |       |
| <i>Crataegus laev.</i> Rosea Flore Pleno  | <i>Double pink flowers</i>                 |       |
| <i>Crataegus laevigata</i> Paul's Scarlet | <i>Double scarlet flowered Hawthorn</i>    |       |
| <i>Crataegus lavallei</i>                 | <i>Glossy dark green leaves</i>            |       |
| <i>Crataegus mono.</i> Stricta            | <i>Erect branches</i>                      |       |

| Latin Name                     | Common Name/Details                             | Order |
|--------------------------------|---|-------|
| Crataegus oxyacantha Plena     | Double White Hawthorn                           |       |
| Crataegus prunifolia           | Excellent autumn colour                         |       |
| Davidia involucrata            | Handkerchief Tree                               |       |
| Fagus dawyck purple/gold/green | Dawyck Beech Purple/Gold/Green                  |       |
| Fagus sylvatica purpurea       | Purple beech                                    |       |
| Ginkgo Biloba                  | Maidenhair Tree                                 |       |
| Gleditsia triacanthos Sunburst | Honey locust, gold foliage                      |       |
| Ilex Aquifolium Alaska         | Holly 'Alaska'                                  |       |
| Ilex crenata fastigiata        | Japanese Holly 'Fastigiata'                     |       |
| Ilex JC Van Tol                | Holly 'J.C. van Tol'                            |       |
| Ilex Nellie Stevens            | Holly 'Nellie Stevens'                          |       |
| Juglans nigra                  | Black Walnut                                    |       |
| Juglans regia                  | Common Walnut                                   |       |
| Koelreuteria paniculata        | Pride of India                                  |       |
| Laburnum x Watererii Vossi     | Free-flowering, long racemes                    |       |
| Ligustrum ex. Superbum         | Chinese Privet 'Exelsum Superbum'               |       |
| Liquidamber styraciflua        | Sweet Gum                                       |       |
| Liquidamber worplesdon         | Sweet Gum 'Worplesdon'                          |       |
| Liriodendron tulipefera        | Tulip Tree                                      |       |
| Malus Golden Hornet            | Crabapple. Abundant yellow fruits               |       |
| Malus hupehensis               | Crabapple. Ascending branches, fragrant flowers |       |
| Malus John Downie              | Crabapple. Abundant large orange and red fruits |       |
